EAST HILLS SCHOOL SONG

(Verse # 1) There's a great place in Roslyn
It's called the East Hills School
We're the young generation, America's future
Our teachers are really cool

(Verse # 1) As we walk through our halls
With our minds open wide
It's the East Hills School
That makes our faces beam with pride

(Chorus) Respect and honesty
Values that we learn
This is how it's meant to be
'Cause we are the East Hills Family
We are the East Hills Family

(Verse # 3) Peace and love and harmony
This is our true test
Building friendships to last a lifetime
Roslyn Bulldogs are the best

(Chorus) Respect and honesty
Values that we learn
This is how it's meant to be
'Cause we are the East Hills Family
We are the East Hills Family
